## SHED PERMIT PROPOSAL

Please draw your lot below (include location of street, driveways, accessory structures, property lines, etc.)

**Please keep in mind:**

*Proposed sheds on gravel base require a minimum setback of 4 ft. off each property line—should you wish to have the shed closer to the property line, you must attach letters of approval from surrounding neighbors.*

*Proposed sheds on a permanent base require a minimum setback of 8ft. off each property line—should you wish to have the shed closer to the property line, you must attach letters of approval from surrounding neighbors and the shared wall of the shed must be a masonry wall.*

**Proposed square footage of shed:**

**Square footage of house and other permanent structures** (garage, closed in porch, etc.):

**Type of base:**

Gravel      or      Footers

**Setbacks off property line and house:**

*Left PL:*

*Right PL:*

*Back PL:*

*House:*

**Additional comments:**
